

A6 Postcard Template

148mm x 105mm

Artwork can cover the entirety of the front side.

The PINK line is the “safe area”. All text and important imagery should be kept inside this margin (unless it bleeds off the page).

The BLUE dotted line is the trimmed area, and the size the postcard will be when finished.

The ORANGE shaded area is the “bleed”. Any colour or image that goes to the very edges, should continue for an additional 3mm to ensure no white edges show when finished.

Please also include crop marks on your supplied artwork.

KEY

-  TRIM SIZE
-  5MM MARGIN
“SAFE AREA”
-  3MM BLEED
